

BSc (Hons) Business Management & Information Technology

The Bachelor of Science (BSc Hons) Business Management & Information Technology degree programme at Greenwich School of Management is available to study as an accelerated degree over two calendar years. This BSc (Hons) Business Management pathway is studied in three stages and provides students with an in-depth understanding of how IT is used in the business environment and how it drives decision making and supports strategic thinking.

The Business Management and Information Technology BSc (Hons) degree programme addresses areas such as the importance of telecommunications and networking and the implementation of effective management information systems within organisations. Successful graduates will be able to operate effectively within the business environment using a thorough understanding of how IT is used and will be able to engage with the strategic planning process.
