

UK Border Agency Maintenance Funds

As Greenwich School of Management is located in the **London** Borough of Greenwich students are required to have £600 per month (as opposed to £800 per month)

UK Border Agency Tier 4 policy guidance states:

“Your study is in London if the majority of your study (more than 50% of your study time) will be in any of the following London boroughs: Camden, City of London, Hackney, Hammersmith and Fulham, Haringey, Islington, Kensington and Chelsea, Lambeth, Lewisham, Newham, Southwark, Tower Hamlets, Wandsworth and Westminster. If you are not studying in any of these boroughs, technically you will be studying outside London”. [1st March 2009]
